Dear Ms. Apte:

UT has had a working relationship with Vidyalankar since 2013. We have received over 37 undergraduate students since 2015 and 18 graduate students since 2016. Currently, 34 undergraduate students and seven graduate students are enrolled.

Most of the students are excellent students, and almost half of the undergraduate students achieve cum laude or higher honors at graduation. This attests to the high caliber students that Vidyalankar recruits.

We are excited to continue and expand our relationship with Vidyalankar as we welcome diligent students to the University of Toledo College of Business and Innovation's undergraduate and graduate programs.

Sincerely,

Terribeth Gordon, Ph.D.
Senior Associate Dean for Undergraduate Programs and Administration

Hassan HassabElnaby, Ph.D.
