Dear Dr. Kelkar,

Every year we are excited to welcome new students to the University. International students always bring in a diverse perspective to the campus in terms of curricular, co-curricular and extra-curricular activities.

The first cohort joined USCB for the fall 2018 term and is now well inducted into the system. The students are doing well academically. They are adventurous in nature and are exploring new things on and off campus. Two of them have already secured on-campus jobs.

We indeed appreciate your efforts taken in the first two years to groom these students and make this transfer seamless. We are keen to strengthen this association and enhance students' experience at USCB.

Warm Regards,

Dr. Eric Skipper
Executive Vice Chancellor for Academic Affairs and Provost
