

VIDYALANKAR INSTITUTE FOR  
INTERNATIONAL EDUCATION

# *Bachelors of Science in Computer Science at Rutgers University, US*

Rutgers, the State University of New Jersey is the only public research university in New Jersey's system of higher education. Rutgers is the nation's eighth oldest institution. Rutgers is a research university where new discoveries await undergraduates in pursuit of their own research and interests. Rutgers-Camden has the prestige and resources of Rutgers, which when combined with the opportunities of the metro Philadelphia region, delivers an academic heft unparalleled in public research universities.

## **BS (Computer Science)**

A computer Science student will be prepared to contribute to a rapidly changing field by acquiring a thorough grounding in the core principles and foundations of computer science (e.g., techniques of program design, creation, and testing; key aspects of computer hardware; algorithmic principles). A computer Science student will be prepared for the next step in their careers, for example, by having done a research project (for those headed to graduate school), a programming project (for those going into the software industry), or some sort of business plan (for those going into startups).

## **Scholarship**

Vidyalankar students will get Partnership Scholarship of \$ 10000. If student scores 3.0+ GPA on this scale of 4.0.

**RUTGERS**

Post-Graduation Work  
Permit Eligible Programs

Work While Studying

Accommodations  
Available

## **Duration**

4 Years - 2 Years at Vidyalankar  
& 2 Years at Rutgers University.

## **Specialization**

Computer Science

## **You Graduate with**

Bachelor of Computer Science  
Degree from Rutgers  
University.

- ✓ A minimum TOEFL score of 80 or equivalent.

### Stay Back

Students get an extension of 36 months on the student VISA (F1) during which they can work full-time.

“You can’t beat the atmosphere; it’s great.

Studying Computer Science at Rutgers is challenging but all of us are enjoying our journey here. Initially we took a little while to adjust with culture teaching methods but the faculty here are of great support .

Their regular visits at Vidyalankar made us feel easy at Rutgers. I am really looking forward for the placement season to start my IT career.”
