MONASH
University

Monash University

Our new **Monash College** campus is a welcoming and vibrant vertical village with innovative and modern amenities. Set across 10 storeys with more than 130 inspiring, flexible learning spaces, the Docklands campus is designed to foster collaboration and innovation between students and teachers.

You'll begin your Monash journey and orientation in the spacious Welcome and Events Hall featuring two, 200-person auditoriums and amphitheatre. Making your way up the building, you can relax with friends in the casual Village Social and Urban deck areas, seek assistance in the dedicated Student Hub before arriving at the heart of knowledge sharing and learning support in The Library and Learning Centre.

The **Business Administration** program at Monash University focuses on job readiness, to give you the practical skills you need to operate effectively in business environments. This is a comprehensive course that focuses on building independent learning skills to ensure that you're ready for the workforce and life after university. You'll have opportunities to learn on site, hear from industry leaders, as well as work on community cases and industry-focused projects.

"I had not imagined such a technical course can be made so much fun filled and enjoyable. Along with the studies we could do lot of extra courses in the area of general education which helped us shape our personality. The entire course gave us a different exposure even being in India."

Neeta Nerurkar - 2019 Graduate
