# About Us

## WE ARE THE PIONEERS IN DEVELOPING THE **GLOBAL PATHWAY PROGRAMS**

Vidyalankar has been offering quality education to students since its inception in 1960. Vidyalankar's campus, spanning 11 acres, is situated in the heart of Mumbai city in Wadala and comprises four different colleges.

- Vidyalankar School of Information Technology
- Vidyalankar Institute of Technology
- Vidyalankar Polytechnic
- Vidyalankar School of Business
- Vidyalankar Institute for International Education

Since 2006, Vidyalankar has partnered with leading universities in the USA, Canada, the UK, Australia, and New Zealand, creating distinctive undergraduate and postgraduate programs in the areas of Computing, Business, Commerce, and Media. Our programs focus on imparting the necessary tools, skills, and mindset to equip students for success in their chosen field at the international level.

Since then, these programs have garnered high acclaim from students, parents, and industry professionals alike. By partnering with prestigious universities worldwide, VIIE is empowering students to achieve their academic and career aspirations.

# Why VIIE?

## OUR MISSION

Foster a strategic network of Global Partners with a high academic and industry reputation. Provide High-Quality International Education for our learners. Provide High – Impact education abroad experience opportunities to our faculty and staff.

## OUR VISION

To enable learners to access High-Quality International Education through structured pathway programs at affordable cost.

## OUR GOALS

As a global thought leader, Vidyalankar understands the value of getting quality education at an early stage. Getting international exposure at the undergraduate level can build strong foundations for students. Additionally it also offers specialized masters' courses to accelerate higher education internationally

## GLOBAL EXPERIENCE

Our Pathway programs are a unique way to provide students with the best Indian and Abroad Education practices. Our teachers with a strong foundation gradually make students ready for the International academic rigor and challenges.

## TOP PLACEMENTS

The program has given opportunities to all deserving students to work in a Global Market place with exciting job profiles and lucrative pay packages.

## AFFORDABLE

Studying half of the program in India has reduced the expense by at least 50%. The partnerships also allow deserving students to earn scholarships. This arrangement has made the program extremely affordable and within reach of many worthy candidates.

# Program Benefits

## INTERNATIONALLY ACCEPTED DEGREE

VIIE has established partnerships with several prestigious universities such as Penn State, Monash, Waikato, and many others. These partnerships offer students the opportunity to experience world-class education and earn degrees from reputed institutions which are accepted world wide.

## SAVE 50% COST BY STUDYING 2 YEARS IN INDIA

The curriculum for our international degree is split between India and the university you selected, resulting in significant cost savings.

## GET UPTO 50% MERIT SCHOLARSHIP

VIIE offers various scholarships to the deserving students, including the Merit Scholarship. Students who meet the eligibility criteria can receive up to a 50% scholarship on tuition fees.

## ADMISSION WITHOUT SAT/ACT/GMAT

VIIE offers an added advantage to students as they are not required to take the SAT/ACT/GMAT exam. Additionally, VIIE provides English proficiency test training, including IELTS and TOEFL, to students alongside the regular curriculum.

## GET TOP INTERNATIONAL PLACEMENTS

Studying in an international university can be beneficial for students seeking global career opportunities. Such universities often organize job fairs which allow students to interact with potential employers, explore different industries and gain industry insights.

## UPTO 4 YEARS POST STUDY WORK VISA

VIIE students have the advantage of being eligible for a post-study work visa of up to four years. The post-study work visa gives students the opportunity to apply their newly acquired knowledge and skills in a real world setting, gaining practical experience and building their resume.

# Program Eligibility

## BACHELORS LEVEL

- Std. XII – HSC / CBSE / A – levels / IB-Diploma or its equivalent in Science/Commerce/Arts.
- Mathematics is required for technology programs.
- Proficiency in English.

## MASTERS LEVEL

- The student must have an aggregate score of more than 50% in Bachelors Degree.
- The student should have appeared for CET/MAT with a minimum score as required by the university before transferring abroad.
- Proficiency in English.

# Student Testimonials

**PRAJAKTA PAWASKAR**

Spending two years has opened a whole new world to me. Here, at Vidyalankar, success is defined not only by one's test grades, but also through one's over all development.

**NIKHIL MIRANDA**

Education at Vidyalankar gave me a chance to meet some very good Professors and Faculties. Besides the classrooms, the library and the football ground have been the most visited places on the campus

**UJJWAL PATEL**

Studying at Vidyalankar gave me a different approach towards the field of Information Technology and its various streams. The course is different than regular Engineering or other degree courses.

**RISHABH SHANBHAG**

Coming to Vidyalankar was like coming back home. The staff here is extremely caring towards its students. The campus is full of life. These two years have a lot of cherished memories for me

**POOJA BIWALKAR**

Coming to Vidyalankar was like coming back home. The staff here is extremely caring towards its students. The exposure is great and I recommend many students should take its benefit.

**ADITYA HADKAR**

The approach to this course is quite different from a stereotype Engineering course. This gave me the global exposure. I was quite sure that it would be in the student's best interest.

**SHIBANI CHADDHA**

I enjoyed studying this unique BS (IT) course because of the way it is taught to us at VSIT. We were given all facilities from the labs to library to help us perform better.

**PURVA CHITNIS**

It was refreshingly different as I got to learn many new exciting things which were taught to me by my exceptionally talented yet really patient professors

**KIRAN MODI**

Besides the classrooms, the library and the football ground have been the most visited places on the campus. Individual attention to students was very successfully achieved here at Vidyalankar.

**ADITYA BALGI**

Our faculties follow international methods for studies. Activities like Poster making, Presentations and Projects gave us lot of hands on experience under the expert faculty.

# VIIE Support

## TRAINING FOR TOEFL/ IELTS

Experienced faculty at Vidyalankar trains the candidates for TOEFL / IELTS. Online Mock-Tests are conducted for practice. Students trained by these faculties have also scored as high as 118/120 in TOEFL. and 8.5/9 in IELTS.

## FACULTY EXCHANGE

Faculty exchange programs provide numerous advantages, such as expanding one's professional network, acquiring new knowledge and insights, and improving teaching and research abilities.

## ALUMNI INTERACTIONS

With an alumni base of 1300 students feel free to interact with the alumni and direct seniors for guidance. The student support team also organizes dedicated alumni to current student interaction sessions to get answers to FAQs

## PRE-DEPARTURE ORIENTATION

Pre departure orientation program is arranged for the students where they are briefed about the life and culture in the US / UK/CAN/AUS/NZ . Information is provided on Forex, Ticket booking and other necessary pre-departure requirements.

## MOCK VISA INTERVIEW

All the students flying to the US appear for a Mock Visa Interview conducted by our panel of experts. All the documents are again screened thoroughly. The student profile is analyzed and tips are offered on one's academic profile, body language, mannerisms and finances.

## FINANCE SUPPORT

Vidyalankar collaborates with partners who offer financial assistance for both educational and living expenses. Additionally, Vidyalankar works with Forex partners to ensure that students' journeys are made more convenient.

## FOREIGN FACULTY INTERACTION

Vidyalankar offers students the opportunity to engage with foreign faculty members from affiliated universities for various programs. These interactions enable students to establish a relationship with the faculty members while also gaining a better understanding of the available programs and courses.

## ACCOMODATIONS / AIRPORT PICK UP

The collaboration between the International Office at Vidyalankar and the International Office of a foreign university serves as a means to provide a smooth and hassle-free arrival experience for students traveling from overseas to study at the university including accommodations & Airport Pickup.

# Campus Facilities

## CENTRAL LIBRARY

The Central Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers. Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library.

## CAFETERIA

In Mumbai, where distances can be vast, having access to a good cafeteria is essential. At Vidyalankar, we have spacious and well-maintained cafeterias that provide a variety of food options to cater to different tastes, all at subsidized rates. We prioritize cleanliness and hygiene to ensure a healthy dining experience.

## STUDENTS' ACTIVITY CENTRE

The Students' Activity Centre at Vidyalankar aims to foster a sense of community among students and staff by offering a diverse range of services and activities. This centre provides equal opportunities for all to participate and engage in various social events and build lasting connections. The internal website is an excellent resource for staying updated on upcoming events.

## PARKING

College parking facilities refer to the designated areas where students, faculty, and staff members can park their vehicles on campus. Having adequate parking facilities on campus is essential to ensure the safety and convenience of everyone who drives to college. Overall, having efficient and well-managed college parking facilities is crucial in ensuring a smooth and safe campus experience for everyone. Two wheeler parking is available to students.

## CAFE COFFEE DAY / NESCAFE

The coffee shop at Vidyalankar is a popular hangout spot for students, especially during breaks and free time between classes. It is strategically located within the campus, making it easily accessible to students from all corners of the institute. The coffee shop offers a variety of beverages, including coffee, tea, and soft drinks, as well as snacks such as sandwiches, pastries, and cookies.

## DEN

The den is a spacious and well-equipped facility that provides a fun and engaging environment for students to unwind and socialize. It is equipped with various games, including a pool table, table tennis, carom, chess, and many more. The centre also has multiple gaming consoles, including PlayStation and Xbox, with a wide variety of games to cater to the diverse interests of the students.

## CULTURAL CENTER

The Cultural Centre of the campus promotes the leisurely aspect of student life and serves as a vibrant hub for social gatherings. The Centre takes charge of organizing a range of events, including the college's annual Social Program, as well as Intra and Inter-Collegiate Competitions, along with the yearly Fest.

## SPORTS CENTER

Vidyalankar recognizes the vibrant, dynamic energy of its students, which requires a suitable outlet for expression. As a result, Vidyalankar offers facilities for both indoor and outdoor games. The campus features a spacious playground for sports such as football and cricket, while students can unwind by engaging in indoor games like chess, carrom, table-tennis, badminton, and more.

# Achievers
